**Drexel Student ID:** 14601785  
**Term(s):** Fall, Academic Year 2022-23  
**Status:** Full Time  
**Level:** Undergraduate  
**Drexel Major:** Electrical Engineering

June 29, 2022

Dear Priontu,

Congratulations! I am pleased to inform you that you have been accepted as an exchange student at Drexel University. We look forward to welcoming you to the Drexel and Philadelphia communities.

Please note that as an exchange student you are not responsible for Drexel tuition, but you are responsible for all other costs of living. In the meantime, please login to your Drexel exchange student account via <http://www.drexel.edu/educationabroad> to complete the post-decision application process, which includes important steps to prepare you for your time at Drexel. Failing to complete the post-decision application process could jeopardize your academic, financial, as well as campus life experience at Drexel.

Please also refer to your acceptance e-mail and Exchange Student Pre-Departure Guide for important information that will help prepare you for a successful exchange program at Drexel University. Read it carefully and follow all instructions. Start by picking up your Drexel One account which will give you access to your Drexel email account and other important details. Directions can be found in your acceptance e-mail. Additionally, your DS-2019 document will soon be sent to you. This will allow you to apply for the J-1 visa at your local US embassy or consulate. While the Exchange Student Pre-Departure Guide should answer many of your questions, please do not hesitate to contact me, at [inboundexchange@drexel.edu](mailto:inboundexchange@drexel.edu), should you have any further questions or concerns.

Please keep checking your email for more information about course registration, housing, health insurance, immunizations, orientation, and other onboarding topics.

Sincerely,

**Casey Devine**
