Welcome Week is Drexel's week-long orientation for students new to campus, full of fun events and activities to introduce you to the University and the vibrant city of Philadelphia. The program runs from Monday, September 12 until Sunday, September 18, with classes officially beginning on Monday, September 19.

Welcome Week activities will begin with Move-in Weekend on Friday, September 9 through Sunday, September 11. After fully completing the housing application process, your move-in time will be emailed to your Drexel email account in late August.

Accommodations for early move-in will be granted for religious observance reasons. We also make accommodations for students who sign up for one of Drexel's early move-in programs, which support social, religious, and academic initiatives. Students who wish to participate in one of these programs should visit our [Early Move-In Programs page](#) for more information. Please call 1.800.2.DREXEL to submit a request for early move-in.

Disability and Dietary Accommodations

If you have a disability and would like to request accommodations in order to participate in Welcome Week activities, please contact [Disability Resources](#) at 215.895.1401 or disability@drexel.edu.
