ABOUT ME

Motivated and inquisitive student looking for new challenges and opportunities to accelerate personal and professional growth.

WORK EXPERIENCE

01/09/2021 – CURRENT – Bremen, Germany

Teaching Assistant, Programming in C and C++ Jacobs University Bremen

I was provided this position due to a strong knowledge of programming in C and C++. My skill and experience in modern programming techniques and paradigms allow me to provide students with the best support for their development in this field. I help the students through tutorials and online support, where I walk them through a host of programming topics and any issues they face. I am also responsible for grading assignments and providing any other support required by the Professor.

EDUCATION AND TRAINING

29/01/2020 – CURRENT – Campus Ring 1, Bremen, Germany

Electrical and Computer Engineering Jacobs University Bremen

The ECE Program at Jacobs University focuses on areas of communications, digital signal processing, electronics, and embedded technology. It offers a rigorous foundation through demonstration and practice. Students obtain an exposure on programming of digital signal processors, printed circuit board design, advanced measurement tools, analog and digital circuitry, deterministic and random signal processing, and probability and information theory.

Courses:

Signals and Systems/ Electronics/ Machine Learning/ Artificial Intelligence/ Embedded Systems/ Computer Vision/ Control Systems/ Robotics/ Algorithms and Data Structures/ Digital Design

1.2 | <https://www.jacobs-university.de/>

LANGUAGE SKILLS

MOTHER TONGUE(S): Bengali

OTHER LANGUAGE(S):

English

Listening	Reading	Spoken production	Spoken interaction	Writing
C2	C2	C1	C1	C1

German

Listening	Reading	Spoken production	Spoken interaction	Writing
B1	B1	B1	B1	B1

DIGITAL SKILLS

C++ / Python / C / Circuit design: LTspice / Arduino / FPGA
Programming (VHDL: Xilinx ISE) / MATLAB
